

summer REMIX

ADVENTURE CAMP

It's time for some fun!

Dive into a world of imagination and entertainment! From producing a podcast to building the first space habitat, Summer Remix is all about living your dreams.

limited
spaces!

ACADEMIC PROGRAMS

This past year has been a little different. Let our camp's fun academic programs ensure your child is ready for school in the fall!

NEW! BOOST Math & English

Students have missed months of in-person classroom instruction. Many families are concerned their child has fallen behind. That's where BOOST comes in! Our exclusive program is designed to help ensure your child meets grade-level expectations in math, reading and writing.

THINK STRETCH

Summer learning loss is real. Research shows students lose 2-3 months of knowledge every summer. Think Stretch helps your child hold onto the skills built through the school year while having fun.

THRILLING MINI-CAMPS

Close the laptop and unplug yourself. Each themed mini-camp is full of fun, imaginative experiences and field trips.* Here's a sampling!

-  **Lights, Camera, Action**
Our movie mini-camp puts campers in charge of making a film. Your child may write the script, design the sets or costumes, direct the action, or play a character in the story. Every role is important on the path to Oscar glory.
-  **Life in Space**
Campers will set out on an epic adventure to Mars. What will we eat? How will we protect ourselves from the elements? What will we do for fun? All these questions will be answered as we transform our classroom into a space habitation.
-  **Podcasts: Stories to Tell**
We'll celebrate compelling stories as campers produce their own podcast or videocast. Campers will choose a theme, write scripts, and interview participants to put together their own podcast.

Let's get moving! Children need to work out energy, especially during these changing times. NFL Play 60 shows your child how to be active 60 minutes a day with fun, outdoor games. Activities will be non-contact, and in line with CDC recommendations.

FIELD TRIPS* & SPECIAL EXPERIENCES

If field trips are possible, our school will follow all CDC, state, and local guidance. If external field trips are not recommended, we'll bring field trips to our school!

JUNIOR CAMP

For younger children, we offer Junior Summer Camp. This camp features in-house adventures so your younger child can experience camp. Junior Summer Camp does not include off-site field trips due to state transportation restrictions.

Summer Camp has reduced spaces available this year. Secure your child's spot by registering today. Contact your school to get started.

About the Sunshine House

Bright Futures Start Here! At The Sunshine House, your child will build a strong educational and social foundation. Our award-winning programs for children 6 weeks to 12 years focus on school readiness, social, emotional and intellectual development, literacy, confidence-building, and what every child needs – love and care!

Families have trusted us with their children for more than 45 years. Find out why today! Visit sunshinehouse.com or contact a school to schedule a tour today.

Committed to Health & Safety

All schools are observing industry-leading COVID-19 health & safety standards, including requiring face coverings, daily temperature checks and health screenings, limited classroom access, enhanced sanitizing and more. Find out more at sunshinehouse.com/health.

Parent-trusted for 45 years!
